

GRANTS 2017

In 2017

The Philadelphia Foundation (TPF) was proud to provide grants and scholarships totaling more than \$22.3 million to 1,266 community organizations. These grants and scholarships were awarded by our Board of Managers after staff members matched donors' intentions with the needs of the community and performed due diligence on the recipient organizations.

The Philadelphia Foundation salutes all those generous donors who have supported and sustained our community organizations that contribute so much to the vibrancy of the Greater Philadelphia region.
